

If it happens to you

If your vehicle is broken into or stolen, inform the police immediately. Stolen vehicles may be used in the commission of other crimes. Your quick action may both aid in recovering your vehicle and preventing its use for illegal purposes.

Take action

- ☐ Get your Neighborhood Watch group to look out for abandoned and suspicious vehicles or bikes, and educate members on preventing vehicle theft.
- ☐ Check your state's laws regarding salvage titles, secure ownership documents and VIN inspection programs. Are they sufficient protection against professional thieves and "chop shops"?
- ☐ Engrave the ID# in several locations on your car or bike, such as the door frame, bumper or under the hood and trunk lids.
- ☐ Fill in the records form below for your car and file it away in a safe location.
